

Team Highlands

Summer 2018 Parent Newsletter

Welcome to The Highlands!

We are aptly named because we are on the third floor. We are an 8th grade team this year. We look forward to seeing many of you again and introducing ourselves to those of you that are new to the team.

We will continue STAR – with a focus on Safe, Thoughtful, Accountable, Respectful behaviors throughout our building.

It is never too early to start the 40 book challenge.

Don't forget IXL accounts for reading or math still work over the summer, so students are welcome to practice using the IXL site!
