3 Ways to Keep Your Child's Brain Active This Summer

1. **Read:** Our students have become avid readers this year and we are super proud of them. Students have been sharing books that they love and encouraging others to read them over the summer. A list of books our students have recommended for others to read can be found on the MMS Library site as well as the [MMS Summer Reading Google Classroom](#). Throughout the summer students should log the books they've been reading!

2. **Write:** Keep their brains active by writing in a journal or starting a blog. Click on the following link for ideas on how to get started [journaling](#). They could also post to the Google Summer Reading Classroom!

3. **Summer Math:** IXL is available during the summer months. We encourage students to take a few minutes each week and review some topics covered this year. This really prevents the students from the "summer slide" and reduces the amount of review that we need to do at the beginning of each year. We emailed a list in June of IXL's that would be helpful and also put it on the front page of our Team Katahdin webpage (you can access this from the [MMS Library site](#)).

Daily Schedule

8:10-8:30 Advisory

8:30-9:20 Math

9:20- 10:10 Science & SS

10:10- 11:00 Science & SS

11:00 - 11:50 UA

11:50- 12:20 Lunch

12:20- 1:10 ELA

1:10- 1:45 SPARK

1:45- 2:30 LGT

Supplies:

- 3 Ring Binder- 2 inch specifically for ELA/SS/Science

- 3 pkgs. of 8-10 tab dividers (pocket dividers work great!)
- 1 Composition Notebook
- Headphones (earbuds are fine)
- Spiral Notebook or loose leaf paper
- Pencils, Pencils, Pencils!!!

MMS Curriculum Night & Book Fair

Curriculum Night will look a little different next year at MMS. We will be having Curriculum Night before school begins. It will be **Tuesday, August 28th from 5:30-7:00 pm**. At this time you will be able to meet with us and hear about the upcoming year. The Unified Arts staff will also be presenting about what to expect in their classes. There will also be a book fair happening on this night so that students can pick out new titles for the new year! The fall sports informational night will be held from 7:00- 7:30 this night as well. Parents and fall athletes will be able to meet with the coaches and get important information about the fall season including changes to the eligibility policy.

Team Katahdin is shooting for the STARS.....

S- Being safe means to be aware of your actions, surroundings, and words.

T- Being thoughtful is helping other people, sharing, being friendly, considerate, not selfish, and always kind.

A- Being accountable is being honest, trusted to do what you say you're going to do, and being mentally and physically prepared to learn.

R- Being respectful means you understand and learn people's boundaries, rules, and words, while being a kind STAR.
