Curriculum and Assessment Night

MMS will be combining our Curriculum and Assessment Night this year. Mark your calendars for Tuesday, August 28 from 5:30-7:00pm so we can meet you and your family!

INTRODUCING KRISTA AVERILL

This will be my second year at MMS and my sixth year teaching. I am looking forward to having you as a student for the next two years! This upcoming year you will be learning a combination of life science, Earth science, physical science, and chemistry. You will grow as a scientist by asking meaningful questions, formulating hypotheses, and participating in lab activities.

INTRODUCING CHELSEY OLIVER

Hello Boothbay Mathematicians!
I am thrilled to have you joining our team for the next two years. Just like this will be your second year at MMS, this will be my second year teaching. We will be using things like recipes and sticky notes to explore concepts such as scale drawings, and probability! If you would like to get a jumpstart on a challenge I will be giving you weekly, download the KenKen Classic App on your phone or visit kenkenpuzzle.com!

Teacher Information:

Chelsey Oliver- Math- coliver@rsul8.org
 Krista Averill- Science- kaverill@rsul8.org
 Pamela Atwood- Social Studies- patwood@rsul8.org

 Pencil pouch w/
 -Colored pencils
 -Scissors
 -Cap erasers
 -Markers

INTRODUCING ERINN MICHAUD

Calling All Writers! Ms. Michaud is happy to welcome you to Team Boothbay where we will write to think and think to write in a variety of styles and for many purposes. Our ELA skills will apply to many content areas and crucial life tasks. Through the use of literature, writers workshops, grammar skills and research topics, we will build our stamina for loving literacy in fun and meaningful ways.

INTRODUCING PAMELA ATWOOD

Welcome to Team Boothbay! My name is Mrs. Atwood and I am excited to have made the transition from BCS to MMS this year. I am looking forward to starting our new adventure together. I taught at the middle school level earlier in my teaching career, then transitioned to elementary but am extremely excited to be back in Middle School. As a class we will be bringing our history, geography, economics and civics areas to life by transforming our classroom into the era we are studying through dynamic novel studies, creating writing, role playing and much more.
